A Warm Welcome

to picturesque Oberammergau, in the district of Garmisch-Partenkirchen.
We - the Dorfstüberl - are a charming restaurant serving traditional Bavarian cuisine. Our team looks forward to treating you to our hearty Alpine dishes in our dining room or in our inviting beer garden.

Bavarian Cuisine

We are pleased to announce that we are applying for certification as "Ausgezeichnete Bayerische Küche" (Excellent Bavarian Cuisine). This quality seal stands for the highest standards in the origin of the products as well as in the preparation and presentation of traditional Bavarian dishes. Great importance is placed on the following criteria:

- Product quality: origin of goods, food and drinks offered
- Service quality: service and menu design
- Front of house: dining rooms and overall appearance
- Behind the scenes: kitchens and storerooms as well as our restrooms

We source our goods from Chefs Culinar. For our beef dishes we use heifer meat exclusively. Heifer meat is of higher quality than conventional beef, as it comes from a sexually mature female cow that has not yet calved.
Even with the supplier of our ice cream we attach great importance to regionality and source it from Eiswaffler Hohenpeißenberg.

We wish you a good appetite!
